

COLLECTING ONLINE DONATIONS

If someone is registering to run or walk and wants to be on your team, follow these instructions.

After someone chooses their level of participation (5K Run, 2-mile Walk, Nick's Dash or Luke's Mile), they choose what person or team they want the donation to be in support of.

1. If they are only making a donation and do not plan to walk or run, then they can do directly to your fundraising page and make a donation. It will show up directly.
2. If they want to walk or run for any level, then when they register at www.fighttobehealed.org they need to make sure that they choose the person or team in the "My Donation is in Support of" drop down box. That is the only way it will be connected to the team fundraising page. They do still need to type in "yes" that they want to join a team and then type in the name.
